

LEADERSHIP DEVELOPMENT CONFERENCE FUND

Student leaders play an instrumental role in shaping student life at the University of Guelph-Humber. The Leadership Development Conference Fund has been created to support students' desire to enhance their leadership skills by sponsoring them to attend a professional conference.

Student Life will award funds to students to use towards a conference. This may include registration, accommodations while at the conference and/or travel to and from the conference. Successful candidates will receive the fund in the form of a reimbursement (i.e. the student must submit a receipt, invoice or registration confirmation, and a cheque will be issued).

Students submitting conference presentation proposals are strongly encouraged to contact Student Life for support on developing proposals and delivering conference style presentations.

This year, Student Life is encouraging students to attend the [Canadian Conference on Student Leadership \(CCSL\)](#). The conference will take place at the University of Toronto from November 22-24, 2018.

**Please note if a conference occurs during regularly scheduled classes students must make their own arrangements with instructors regarding missed classes.*
